As a former NFL football player with the New England Patriots, my wife and I now Pastor a church. We both have had the pleasure of knowing Pastor Ron Jutze for over 11 years now, and have found him to be one of the most gifted ministers of our time. He has a profound knowledge of the word of God as well as a unique style of presenting the Gospel message so that it is relevant and applicable for today's culture. Pastor Ron has a unique style of ministry that transcends gender, race and age. His messages are very inspiring to the Young and old.

One of the most impressive things about Pastor Ron is the spirit of excellence that God has anointed him with. His skills and ability to organize and build ministries are superb, which is why he has been our spiritual mentor for many years.

This year my wife and I launched our Yes I Can Love Center in Baton Rouge, LA. Pastor Ron's wisdom and advice has proven to be invaluable. He has helped us established a solid foundation in the launch of our New Church.

So, if you're looking for a minister to promote and motivate your congregation Pastor Ron Jutze is the man. With his compassion for people Pastor Ron has a true Pastor's heart to win the lost and grow them into disciples for Christ. We highly recommend Pastor Ron Jutze because; wherever he is in the world he will always make a difference.
