To Whom It May Concern:

Ron Jutze is a man who I have grown to respect over the years. He truly has a passion to see the local church grow, thrive, and fulfill its God-given purpose.

As a man of passion for things of the kingdom, Ron excels in leadership ability and in instilling vision in the hearts of people to whom he ministers. Whenever you get around Ron, you can hear his excitement and joy in seeing the church grow and develop leaders to expand and fulfill its vision.

As a seasoned minister of the gospel for many years, Ron is a man who operates with strong integrity and godly character. I have personally watched him undergo fiery trials emerging from them with strength and victory that can only come through exercising the Word of God in his life.

I have grown to respect and admire this great man of God who has a powerful calling on his life to help the church fulfill its mission.

Sincerely,
