To My Fellow Minister:

I greet you in the name of our Lord, Jesus. It is a distinct pleasure to recommend to you the ministry of Ron Jutze.

I have personally known Ron for nearly twenty years. He has more than 23 years of pastoral ministry experience and has been highly successful. I first ministered for Ron back in the eighties, conducting prophecy conferences. Through the years he has been an excellent student of the scriptures and has become well versed in the prophetic Word of God. He also serves on my Board of Directors and now I am privileged to have him as the General Manager of my ministry.

Ron has an excellent ministry, is Holy Spirit anointed and has an awesome vision for the local church. I'm sure he would be a blessing to your congregation.

Should you have any further questions, please call me.

God Bless you,

Hilton Sutton
President
