Dear Fellow Pastors and Ministers,

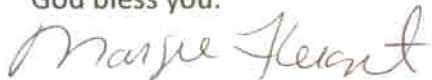

I am writing to recommend a pastor and good friend of mine named Ron Jutze. Ron is a fellow minister and I've known him for over 30 years. I have personally seen the positive impact Ron has had on the churches where he has ministered as he traveled across the United States.

My friendship with Ron began back in the 1980's when he pioneered a church in Olean, NY. Because of his heart, his ministry gift and his life of intimacy with Jesus, the church became the largest church in the city. Since that time, Ron has been serving Hilton Sutton as his General Manager and serves on his Board of Directors.

Ron has the same heart as I do, one that comes along side the vision of a pastor, supporting and helping bring the church body to the next level with solid Biblical teaching. Ron not only understands the heart of a pastor but becomes a true friend and source of encouragement for many pastors where he speaks.

I highly recommend Ron and his ministry and hope you will prayerfully consider inviting him to be a guest speaker in your church. I know he will be a blessing to you as he has been to me

God bless you.
